

**Watershed Agricultural Council – General
Dissemination of WAC Policies, Guidelines, Criterion and Procedures***

It is the policy of the Watershed Agricultural Council to ensure program participants, other interested parties and the general public are informed with respect to overall WAC policies and programmatic guidelines, criterion and procedures. The goal of this policy is to ensure adequate information is available to allow participants and the public to understand the various WAC programs and their impact on agricultural and forestry sustainability and maintenance of water quality within the New York City watershed. Therefore, upon adoption of any such policy, guideline, criterion or procedure by the Council or a committee thereof such policy, guideline, criterion or procedure will be posted on the WAC website as soon as is practicable. In addition, reasonable numbers of copies of such information will be made available upon request.

Guidelines

1. Council Chair through the Executive Director or Committee Chair through the Program Manager will forward to WAC Web Master upon approval all policies, guidelines, criterion or procedures for posting on the WAC website.

* As used here procedures refer to procedures/processes used to engage program participants in the process of program participation. Procedures do not refer to staff procedures/processes used for internal administration of a program.
