Agricultural Conservation Easement

To be eligible for an Agricultural Conservation Easement, you must have an active WAC Whole Farm Plan (WFP) on your property.

Please check the box below that best describes the WFP on your property:

- ☐ I am a landowner/producer and have a WAC WFP.
- ☐ I am a landowner and _____ currently farms my property. My property is incorporated into this producer's WFP.
- ☐ I am a landowner with commercial farming activity on my property but currently do not have a WFP. I am interested in being contacted by the Watershed Agricultural Program (WAP) to discuss my eligibility for a WFP.

Forest Conservation Easement

To be eligible for a Forest Conservation Easement, you must have an active Forest Management Plan (FMP) on your property, prepared by a professional forester or other natural resources professional.

Please check the box below that best describes the FMP on your property:

- ☐ I am a landowner and have an FMP with _____.
Are you currently enrolled in 480-a? ☐ Yes ☐ No
- ☐ I am a landowner with forestry activity on my property but currently do not have an FMP. I am interested in being contacted by the Watershed Agricultural Council Forestry Program to discuss my eligibility for an FMP.

Mail application to:

easementprogram@nycwatershed.org or WAC Easement Program, 33195 State Highway 10, Walton, NY 13856
